

Information About Third Party Processors

Last updated: 30 September 2026

CPOMS

CPOMS is a software system used by schools and educational institutions to monitor child protection, safeguarding, and student welfare. We share relevant data with CPOMS to ensure clear, effective and secure record-keeping of confidential data such as referrals, child-on-child abuse, attendance issues, staff concerns, parental concerns, bullying, incidents at home, communication with third party agencies and racial incidents

For further information please refer to CPOMS' website: <https://www.cpoms.com>

If you are unable to access the website the postal address is: CPOMS Systems Limited, CPOMS House, Acorn Business Park, Skipton, North Yorkshire, BD23 2UE

Governorhub

GovernorHub is a set of online board tools specifically designed by governors, for governors. We share relevant data with Governorhub to ensure secure recording keeping of documents such as Agendas, Meeting documentation, Minutes, Training details, policies, key documents, board membership and School Visits data with easy access to the Governing Body.

For further information, please refer to Governorhub's website: <https://governorhub.com>

If you are unable to access the website the postal address is: 21-33 Great Eastern St, London EC2A 3EJ

iAM Compliant

iAM Compliant helps Tornedale to manage health & safety, risk, staff training, sustainability, and statutory reporting, all through one easy platform. We share relevant data with iAM Complaint to ensure all risk assessments, policies, work requests, contractor documentation, climate action plans, and commuting surveys are stored securely in one safe platform which can be accessed by all staff.

For further information, please refer to iAM Compliant's website: <https://www.iamcompliant.com>

If you are unable to access the website the postal address is: The Steam Mill Business Centre, Steam Mill Street, Chester, Cheshire, England, CH3 5AN

Juniper Education (Sonar)

Juniper Education provides primary and secondary schools with whole school effectiveness solutions. We share relevant data with Juniper Education to ensure clear and effective assessments and data analysis of all children's attainment and progress.

For further information, please refer to Juniper Education's website: <https://junipereducation.org>

If you are unable to access the website the postal address is: Boundary House, 4 County Place, Chelmsford, CM2 0RE

Medical tracker (Meditracker)

Medical Tracker is the UK's leading medical management and first aid software for schools. We share relevant data with Medical tracker to safeguard children who have medical conditions and allergies by storing health care plans, details of medication stored in school, medical conditions and allergies on the platform. All staff who have access to the system are then aware of the individual needs of each child when administering first aid. All illnesses, incidents and near misses are recorded on the system and can be shared with parents via email and monitored for any patterns or areas of concern.

For further information please refer to Meditracker's website: <https://www.medicaltracker.co.uk>

If you are unable to access the website the postal address is: Medical Tracker, 25b Cornmarket, Penrith, Cumbria, CA11 7HS

Sign in App

Sign In App is one of the fastest growing visitor management solutions and available in over 150 countries. It's a cloud-based visitor management solution and allows you to manage all visitors types to your organisation. We share relevant data with Sign In App by asking visitors to provide their name before allowing access to the school building. Tortedale and Trust staff can sign in using their staff ID badges.

For further information, please refer to Real PE's website: <https://signinapp.com>

If you are unable to access the website the postage address is: Sign In App Ltd, 4 Waterside Way, Northampton, NN4 7XD

The Headteachers Report

The Headteacher's Report saves school leaders valuable time by seamlessly integrating with your school's MIS via Wonde, ensuring your reports are always accurate, relevant, and up to date. We share relevant data with The Headteachers Report to ensure Governors have access to the most up-to-date information available.

For further information, please refer to The Headteachers Report website: <https://theheadteachersreport.com>

If you are unable to access the website the postal address is: 3000 Aviator Way, Manchester M22 5TG.

Microsoft Online Services – Microsoft Office 365

Microsoft Office 365 is a cloud productivity suite free to establishments in UK education. We share relevant data with Office 365 as it provides pupils, teachers, and staff with enterprise-grade communication and productivity services which include email, online document editing/creation and storage space.

For further information, please refer to the Microsoft website: What Microsoft does with customer data:

<http://www.microsoft.com/online/legal/v2/?docid=23&langid=en-GB>

If you are unable to access the website the postal address is: Office 365, Microsoft Corporation, Microsoft Way, Redmond, Washington, 98052-6399 USA

If you are unable to access the website the postal address is: 2261 Market Street STE 10437 San Francisco, CA 94114 United States of America

Wonde

Wonde enables accessibility to personal data from the school's Management Information System to deliver a variety of apps and services on behalf of the school. As such Wonde ensures information security and enables the school to manage what access is given to personal data hosted on the school's Management Information System. We share relevant data with Wonde to enable Juniper, Medical Tracker, Headteacher's Report, DfE and Local Authorities to collect this data.

For more information, please refer to the Wonde website: <https://www.wonde.com>

If you are unable to access the website the postal address is: Furlong House, 2 Kings Court, Newmarket, Suffolk, England, CB87SG.

Department for Education

The Department for Education is responsible for children's services and education. We share relevant data with the Department for Education via the school census and daily attendance data.

For further information, please refer to The Department for Education's website:

<https://www.gov.uk/government/organisations/department-for-education>

If you are unable to access the website the postal address is: Piccadilly Gate, Store Street, Manchester, M1 2WD, United Kingdom

NumBots

NumBots equips each pupil with the set of core maths skills they require by building their knowledge from the ground up – starting at the very beginning with subitising.

We share relevant data with NumBots for billing and account names and administering accounts.

For further information, please refer to the NumBots website.

If you are unable to access the website the postal address is: Maths Circle Ltd, Ossory Offices, Hazelwood Lane, Ampthill, MK45 2HF.
