

# EYFS - Summer 1 2024

## IN THE GARDEN

### READING SUGGESTIONS

A Tiny Seed – Eric Carle

The ginormous turnip

Super worm – Julia Donaldson

A Seed In Need – Sam Goodwin

### KEY FACTS

85% of plants are found in the ocean

Oak trees start off as tiny acorns

Worms are great, they make drainage for your flowerbeds!

### VOCABULARY

Seedling – A young plant, raised from a seed

Recycling – Finding another use for a item and reusing it over and over again.

Nature – It is all the plants, animals and other things in the world, that are not made from people

### HOME ACTIVITIES

Plant a Seed

Cloud Spotting

Make perfume from Petals

Go on a Nature Walk

Make a fairy garden

Insect Hunt

### SONGS

There's a worm at the bottom of the garden

Mary, Mary, Quite Contrary

Here we go around the mulberry bush
